Go Anywhere

Meet successful WNC students 🙌

Students Hit TV Airwaves to Support Their School

Three Western Nevada College students will show up on local television commercials to share the positive experiences they have had at the college. Now being featured in WNC's "Start Here, Go Anywhere" marketing campaign are sophomores Andrea Avila Ruiz, Timothy Galluzi and Rielly Rose.

The college marketing team selected a group of students for the second time in the past three years to promote the college for the coming school years.

All said they enjoyed the unique experience and opportunity of serving as role models for their college.

"Being given the opportunity to be a part of the Western Nevada College commercials was an honor," said Ruiz, who is working toward acceptance into WNC's nursing program.

"This experience helped highlight the fact that I am not alone throughout my college journey. On the set, I was surrounded by college staff and students who also admire the many opportunities that this college has to offer. Being able to speak not only for myself but for the majority of our students was very rewarding."

For Rose, the commercial gave him an opportunity to explore an area that interests him.

"Participating in the commercial showed me how a scripted TV set really works. I am very interested in film and production, so it was awesome to see it done professionally," he said.

Ruiz said the biggest challenge for her was being natural on camera. "The most difficult part was trying not to sound like a robot. I had six others watching me, and it was definitely out of my comfort zone. After a few water bottles and short conversations here and there, I felt confident enough to stand with pride and speak for many students at WNC."

Galluzi was in the U.S. Marine Corp for eight years, serving two tours in Iraq and one in Afghanistan, prior to enrolling

at WNC. He fulfilled a key role on campus as a freshman, serving as the president of the Student Veterans Club as the college opened a Veterans Resource Center. He was also named WNC's Student Veteran of the Year.

Rose has been active with student government at WNC. He was a senator for the Associated Students of Western Nevada last year and will fill the same role as a sophomore.

"The most rewarding part," said Ruiz, was knowing that "with these commercials, students will have the confidence that I now have to go back to school and graduate."

The new commercials will debut in mid-November to promote registration for spring 2015 classes.

\$4.4 Million Grant Creates Job Training Technical Certification Programs to Expand

More than \$4.4 million in federal funding will enable Western Nevada College to offer students more training opportunities to meet the skilled labor demands of today's businesses. WNC is Nevada's lead community college in the nationwide \$450 million job-driven training grants, as part of the Trade Adjustment Assistance Community College and Career Training program.

Nevada's four community colleges will receive grants totaling \$9,921,831 to be used through 2018.

Dr. Robert Wynegar, WNC Vice President of Academic and Student Affairs, said, "We are very pleased to be able to expand services to our students in a variety of areas. The grant will allow the four colleges to increase academic offerings and services to prepare them for today's workforce."

David Steiger, WNC director of Economic Development and Continuing Education, said the grant plays an important

role in training Northern Nevada workers.

"This grant award will allow us to continue to meet the ongoing demand for skilled entry level workers," he said. "It will enhance and extend our very successful accelerated technical training programs."

These intensive programs allow trainees to complete a full technical curriculum, complete with nationally-recognized industry certifications, in one semester, Steiger said.

WNC's Student Veterans Center will be able to hire staff members to respond more readily in assisting students with integration, registration, credit analysis, and more.

This project was funded \$4,406,143 (100% of its total cost), from a grant awarded under the Trade Adjustment Assistance Community College and Career Training Grants, as implemented by the U.S. Department of Labor's Employment and Training Administration.

The funding will enhance WNC's course offerings in:

- Applied Industrial Technology
- Automotive Technology
- Certified Nurse Assistant
- CISCO Certified Network Administrator
- Machine Tool Technology
- Welding Technology

Western Nevada College offers academic degrees and programs to meet a variety of educational goals. Students can learn technical skills and work toward a career. They can also prepare for transfer to a four-year college or university.

Transfer Degrees

TRANSFER PROGRAMS & EMPHASES

WNC attracts many students who plan to earn a baccalaureate degree from a four-year college or university. They choose to begin their college education at WNC for many reasons, including lower tuition costs, smaller class sizes, flexible class times, and a personalized learning environment.

The Associate of Arts and Associate of Science degrees are primarily for the student who plans to transfer from WNC to a four-year college or university to pursue a baccalaureate degree in liberal arts, humanities, math, sciences, social sciences or related areas.

These programs of study can provide the first one or two years of a four-year degree in dozens of career areas. Students choose courses that will apply to their desired major. See a counselor for details.

CERTIFICATION & LICENSING PREPARATION

Certification and licensing preparation programs prepare students to take state or other certification and licensing exams. It is important to note that while these programs prepare students to obtain a certification, WNC does not grant any of these certifications. The completion of these courses does not include the actual licensing exam and successful completion of the courses does not guarantee receiving the license or certification.

ALLIED HEALTH

Certified Nursing Assistant

The college offers **NURS 130 - Nursing Assistant**, a six-unit class that prepares students to take the Nevada licensing exam for certification as a nursing assistant.

Emergency Medical Services

WNC offers **EMS 100-Healthcare Provider CPR**, **EMS 113-First Responder**, **EMS 108-EMT Basic**, and **EMS 112-EMT enhanced (Intermediate)**. EMS courses are offered to prepare students to take the National Registry Examination for EMT-Basic and the appropriate Nevada EMS certification examination for EMT Enhanced (Intermediate). EMS 108 and EMS 112 are designed to meet the National Standard Curriculum published by the United States Department of Transportation, National Highway Traffic Safety Administration.

Laboratory Technician-Phlebotomy

Phlebotomy classes (LTE 101 & 102) provide students with knowledge and skills necessary to perform the collection, identification, and preservation of specimens as applied to venipuncture techniques.

NOTE: See the Nursing & Allied Health website for mandatory prerequisite information, and for required immunizations, tests, major medical insurance, and CPR certification. This information must be provided to the Nursing & Allied Health Office before permission to enroll in these courses is granted.

PRIVACY NOTICE

Privacy Notice & Request for Confidential Status of Directory Information

In accordance with institutional policy and the U.S. Family Education Rights and Privacy Act of 1974, Western Nevada College vigorously protects the privacy of student educational records. The institution does not release the records of individual students, such as grades and class schedules, without prior written consent of the student. WNC does not release information to parents of students regardless of dependence status without prior written consent of the student. A student is defined as an individual who has applied to WNC and who is or has been in attendance at WNC.

The Family Educational Rights and Privacy Act (FERPA) affords students certain rights with respect to their education records. These rights include:

(1) The right to inspect and review the student's education records within 45 days of the day the institution receives a request for access.

A student should submit to the registrar, dean, head of the academic department, or other appropriate official, a written request that identifies the record(s) the student wishes to inspect. The institution official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the institution official to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be addressed.

(2) The right to request the amendment of the student's education records that the student believes to be inaccurate, misleading, or otherwise in violation of the student's privacy rights under FERPA.

A student who wishes to ask the institution to amend a record should write the institution official responsible for the record, clearly identify the part of the record the student wants changed and specify why it should be changed. If the institution decides not to amend the record as requested, the institution will notify the student in writing of the decision and of the student's right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

(3) The right to provide written consent before the institution discloses personally identifiable information from the student's education records, except to the extent that FERPA authorizes disclosure without consent.

The institution discloses education records without a student's prior written consent under the FERPA exception for disclosure to school officials with legitimate educational interests. A school official is a person employed by the institution in an administrative, supervisory, academic or research, or support staff position (including law enforcement unit personnel and health staff); a person or company with whom the

institution has contracted as its agent to provide a service instead of using institutional employees or officials (such as an attorney, auditor or collection agent); a person serving on the Board of Regents; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks.

A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibilities for the institution.

Upon request, the institution also discloses education records without consent to officials of another school in which a student seeks or intends to enroll.

As permitted under federal law, an exception to the above practice is the release of "directory" information considered to be public in nature and not generally deemed to be an invasion of privacy. The Nevada System of Higher Education has designated the following information as directory information: student name, address, telephone number, e-mail address, degrees, honors and awards received, major field of study, college, dates of attendance, date of graduation, undergraduate or graduate status, most recent educational agency or institution attended, enrollment status (full-time or part-time), participation in officially recognized activities and sports, and weight and height of members of athletic teams. WNC has further designated photographs from college sanctioned events as directory information.

Students have the right to refuse to let WNC and NSHE designate this information as directory information and have until the end of the first six weeks of the fall or spring semester to submit a request for non-disclosure of the above items. A request for non-disclosure submitted at one NSHE institution will apply to all NSHE institutions.

(4) The right to file a complaint with the U.S. Department of Education concerning alleged failures by the institution to comply with the requirements of FERPA. The name and address of the Office that administers FERPA is: Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Avenue, SW, Washington, DC 20202-5901

It is important to consider carefully the potential consequences of restricting the release of directory information. If a student restricts release for non-commercial educational purposes, the institution will be unable to place the student's name in publications such as honors and graduation programs, to confirm graduation and dates of attendance to potential employers; or to verify enrollment with organizations such as insurance companies without the express written authorization of the student.

If, after due consideration, you wish to restrict the release of directory information, complete this form and submit it to Admissions and Records. This directive will apply permanently to your record unless you choose to reverse it by submitting a written authorization.

___ Do not disclose my information for commercial purposes.

___ Do not disclose my information for non-commercial, educational purposes.

___ Do not disclose my information for both commercial & non-commercial purposes.

The authorization can be mailed, faxed or delivered in person to Admissions & Records.

REGISTRATION INFORMATION

myWNC Registration

Registration can be accessed online through **myWNC** at my.wnc.edu.

myWNC is a self-service, online portal that allows students to browse, select and register for classes, pay fees, check financial aid status, and obtain grades - all in one place. In addition, there are features for calculating costs, monitoring degree progress, and catching up on the latest college news.

• **NEW TO WNC?** — Students who have not taken a credit class in the past two years must complete an online application for admission prior to registering. www.wnc.edu/student-services/admissions/

• **STUDENT I.D. NUMBER** — All students are issued an NSHE ID number which is a student's official identification number at WNC and all other institutions within the Nevada System of Higher Education.

• **SHORT-TERM CLASSES** — Students may register and pay for short-term courses until the day before the class begins.

Adds, Drops & Withdrawals

Adds/drops may be completed at my.wnc.edu. The last day to add full-term classes through myWNC is Monday, Jan. 26.

After Friday, Jan. 30, students must pay for a class in full before they can add a class using the Late Registration Enrollment Request. The last day to pay for and submit a request to add a full-term class is Friday, Friday, Feb. 13.

Classes dropped after the 100 percent refund period will remain on a student transcript with a "W" (withdrawal) grade. The last day to withdraw from any full-term fall class with a "W" grade is Friday, March 27. Classes dropped after March 27 will remain on a student transcript with the grade earned.

Class Cancellations/Changes

WNC reserves the right to cancel classes with low or insufficient enrollment.

The list of canceled courses will be updated as courses are canceled, including those resulting from instructor illness or inclement weather. The canceled class web page is updated throughout the semester.

Students concerned about possible college closure due to inclement weather should check the WNC website, the main college phone number, and local TV stations.

IMPORTANT INFORMATION

Distance Education at WNC

WNC offers a full range of classes delivered online through WNC Online and by interactive video. Both are designed to meet the needs of students with busy lifestyles who may not have the opportunity to attend regularly scheduled or on-campus classes. Interactive video classes offer two-way audio and video from the originating site at regularly scheduled times.

Many web classes have few, if any, scheduled meeting times and can be accessed 24/7 from any computer.

Rural Services & Programs

To serve residents in smaller communities of western Nevada, WNC offers a combination of interactive video, online and on site classes that will allow students to earn a two-year associate degree or prepare for transfer into a four-year bachelor's degree program.

Interactive video classes are offered in Fernley and Yerington at designated community locations. Through partnerships with local school districts and city governments, Western Nevada College is able to offer evening courses in these communities that meet requirements leading to an associate degree. Students may also choose from dozens of online courses offered each semester that can supplement interactive video classes to achieve a degree and prepare for transfer to a university.

Many students commute for some of their classes to the Fallon campus, which is the hub of WNC's rural education programs. There, a wider variety of courses is offered on site that can lead to an Associate of Arts or an Associate of Science degree.

For some majors, students also attend at the Carson City or Douglas campuses for a portion of their degree.

WNC Online

Online and web enhanced classes are provided through WNC Online. Students taking online classes should have regular access to a reliable computer with a high-speed Internet connection and are required to complete the online tutorials prior to taking classes. Basic skills required include: sending and receiving e-mails, word processing, attaching files, and basic web browser configuration. Successful online students are independent, self-motivated learners, who possess good reading skills and study habits. A typical three-unit class requires a minimum of about 10 hours per week for reading course materials and completing assignments.

Blended Classes: Classes delivered primarily over the Internet with regularly required face-to-face meetings.

Canvas: The software that the college uses to power WNC Online classes. Access Canvas directly at <http://wnc.instructure.com>

Flex Classes: Classes that can be taken either online or in person, depending on a student's preference.

Lecture Capture Classes: A form of technology used to broadcast and record a class.

Media Site: The software that the college uses to broadcast and record lecture capture classes.

Web Classes: Classes delivered over the Internet that may require one or more scheduled meetings, either online or face-to-face.

Web Enhanced Classes: Regular face-to-face classes that use an Internet component to expand the course experience.

The WNC Student Code of Conduct applies to online classes as it does to traditional classes. The online classroom should be considered the same as a traditional classroom with all of the norms of behavior that the statement implies. Students should communicate with their classmates and instructors in a polite, civil manner, using proper English.

IMPORTANT INFORMATION

How WNC Courses Transfer & Meet Degree Requirements

WNC's course numbering system helps students identify the types of courses available at the college and their applicability toward specific degrees:

Courses with numbers below 100 (such as ENG 95) are developmental courses which do not apply toward a WNC degree or honors and normally do not transfer to a university.

Courses with numbers from 100 to 299 (such as HIST 101) are college level courses which are designed to transfer within the Nevada System of Higher Education, and often transfer to other colleges and universities, as either an equivalent or a general elective.

Courses with numbers 300 to 499 (such as MGT 462) are upper division courses that are designed to apply toward a WNC Bachelor of Technology degree. They may also transfer to other colleges and universities. For information about how these courses can transfer and apply to a specific program of study, please contact a counselor.

Courses with numbers 1000 and above (such as CFK 1001) are non-credit, non-college continuing education courses. Please contact a counselor for more information.

Courses with an 'L' Designator after the number (such as PHYS 151L) are laboratory courses designed to apply toward a WNC degree and/or transfer to other schools within NSHE, depending on the degree chosen and other courses completed. They may transfer to colleges and universities outside Nevada. Contact a counselor for more information.

NSHE Non-Transferable Courses are courses that are not transferable to an NSHE institution and do not apply towards an AA or AS degree. They are indicated with a non-transferable course attribute in the myWNC course catalog.

Earn your Associate Degree through **Reverse Transfer**

Give yourself credit for the degree you have earned! Students who have attended Western Nevada College and then transfer credits to continue their education at another Nevada state college or university may still be able to receive an associate degree. Through a process called 'reverse transfer,' former WNC students may combine the credits they earned at Western with credits they earn at Nevada State College, the University of Nevada, Reno, or the University of Nevada, Las Vegas. Students can then receive an associate degree from WNC, even as they may be working toward a bachelor's degree.

In this way, they can achieve higher earning power and the prestige of completing a college degree, while they continue their education. The Nevada System of Higher Education Board of Regents has approved this process in an effort to help more Nevadans earn a degree and increase their employability.

To qualify for reverse transfer through WNC, a student must have been previously enrolled and have earned at least 15 credits before transferring to the university or state college. Once attending the four-year school, the student must complete at least 60 college level credits.

ADMISSIONS & REGISTRATION INFORMATION

Admissions Policies

WNC has varying admissions criteria that allow any adult who can benefit from instruction at the college to enroll. Students who have graduated from high school or have obtained a GED will satisfy admission requirements. Students may be admitted under alternative criteria by satisfying one of the following:

- Provide evidence of placement test scores at levels that demonstrate college readiness, or
- Provide official transcripts from a regionally accredited institution demonstrating successful completion of six college units in English, math or other general education course.

All new degree or certificate seeking students who have never attended college will be required to attend a new student orientation session, take placement tests and meet with a counselor before enrolling for classes. Any individual may enroll as a non-degree seeking student for a maximum of six units each semester. Admission only ensures general enrollment at WNC and does not guarantee admittance into specific programs or particular classes. For information regarding academic programs or classes, contact a counselor or the appropriate academic division.

Admissions & Records: 445-3277

www.wnc.edu/student-services/admissions/

ADMISSION FOR NEW STUDENTS

New students and students who have not taken a credit class in the past two years must submit a new application for admission. Once an application has been submitted, within three to five business days, a student ID number and password information will be sent via e-mail, allowing access to myWNC.

ADMISSION FOR HIGH SCHOOL STUDENTS

The college permits enrollment for those not yet graduated from high school. High school juniors and seniors may enroll with a completed High School Authorization form available at the WNC Admissions and Records Office or online.

High school students below junior level, when identified as academically talented by the school district and recommended by a designated school official, will be reviewed by the director of admissions on a case by case basis for enrollment status in credit courses. These students must have a minimum 3.0 GPA and meet with a WNC counselor. Otherwise, high school students below the junior level may only enroll in Community Education or College for Kids classes.

ADMISSION FOR INTERNATIONAL STUDENTS

All foreign-born, non-resident students planning to attend WNC must contact Admissions and Records on the Carson City campus at least three months prior to attendance to prepare college and federal account information.

ADVANCED STANDING ADMISSION

Students who have earned credits from accredited post-secondary educational institutions may be eligible for advanced standing at WNC. These students should request to have official transcripts from each previously attended institution sent to WNC Admissions and Records and submit a Petition for Transfer Credit form.

APPLICATION: NURSING PROGRAM

Admission to the program is limited and requires a special application.

Nursing & Allied Health Programs: 445-3295

www.wnc.edu/academics/division/nalh/

AUDITING A CLASS

Auditing is a process by which the student pays all the regular fees, attends class sessions, receives all the instruction, and generally does the same assignments and work of a regularly enrolled student, but does NOT receive a grade or credits for the class. Auditors are not required to take exams. **The last semester date to change credit to audit, or audit to credit, for full-term classes is Friday, March 13.** After this date an audit may not be changed to a letter grade and a letter grade may not be changed to an audit.

COURSE EXCHANGES

Even exchange of courses is allowed during the second week of the semester (January 27-February 2). Students who want to drop and add full-term classes must submit an Even Exchange Request form to Admissions and Records by February 2. Students requesting an even exchange should not drop classes through myWNC. Instructor signature(s) are required for courses to be added; division approval is also required for full classes. Course units added must be equal to or greater than course units dropped. Classes approved for even exchange which are dropped will be removed from a student transcript.

COURSE LOAD

The number of units taken by a student, excluding courses taken for audit, makes up the total course load. The number of units a military veteran or financial aid student takes generally determines the benefits he or she receives. Full-time students carry 12 or more units; three-quarter-time students carry 9-11 units; and half-time students carry 6-8 units. Degree and certificate seeking students may enroll for 18 units per semester without permission of a WNC counselor. Non-degree seeking students may enroll for up to six units per semester. The maximum number of units a WNC counselor may approve is 21.

GRADES

WNC students obtain their grades online, via myWNC. The college does not send grade mailers at the end of the semester. Spring grades will be available by Friday, May 29.

RESIDENCY

Regulations for determining Nevada residency for tuition charges are set by the Board of Regents. One of the following categories must apply in order for a student to be deemed a Nevada resident:

- 1) A dependent person whose spouse, family or legal guardian is a bona fide resident of Nevada for at least 12 consecutive months prior to the student's date of matriculation.
- 2) A financially independent person who is a bona fide resident of Nevada for at least 12 consecutive months prior to the date of matriculation.

Date of matriculation means the first day of instruction in the semester or term in which enrollment of a student first occurs. A student has matriculated if he/she enrolls for a course and does not withdraw before the 100 percent refund period or has a record of previous enrollment at Western Nevada College. A nonresident who matriculates to WNC shall continue to be classified as a nonresident student throughout the student's enrollment, unless and until the student demonstrates continuous physical presence as a Nevada resident for at least 12 months immediately prior to the date of the application for reclassification. There are additional criteria that must be met for reclassification to resident status. There are also exceptions for determining residency, including graduation from a Nevada high school.

FEE INFORMATION

FEE DUE DATES

No invoices will be mailed. It is the student's responsibility to review the amount owed through myWNC at my.wnc.edu

Friday, Jan. 9, 5 p.m. - Full payment (100%) due for all classes or first payment due for 3-Pay Plan; unpaid students may be removed from all classes; Last day to enroll in the 3-Pay Plan.

Friday, Jan. 16, 5 p.m. - Full payment (100%) due for all classes or first payment due for 2-Pay Plan; unpaid students may be removed from all classes; short-term classes added after this date must be paid for in full at the time of registration; Last day to enroll in the 2-Pay Plan.

Friday, Jan. 30, 5 p.m. - Full payment (100%) due for all classes unless payment plan arrangements have been previously made; unpaid students may be removed from all classes.

PAY ONLINE

Pay with e-check, Visa, MasterCard, or Discover online at my.wnc.edu. Verify account balance after submitting request.

PAY BY MAIL

Make checks payable to Board of Regents. Indicate the student's NSHE ID number. Mail to:

WNC Business Office, 2201 West College Parkway Carson City, NV 89703-7399

PAY IN PERSON - 8 a.m. - 5 p.m., Monday-Friday

Carson City campus: All payment types accepted.

Fallon campus: Check, credit card or money order payments only.

PAYMENT PLANS

ENROLL AT: my.wnc.edu. Students should enroll in a payment plan prior to making any payments on their account.

WNC offers a three-payment or two-payment plan for any student who is enrolled in six or more units (current semester only). Students should make payment plan arrangements before making any payments on their account each semester. For payment deadlines that fall on a holiday or weekend, payments can be made online or in person on the business day prior to the deadline.

3-Pay Plan: This plan divides the balance owed into three equal installments that are due on January 9, February 9, and March 9. Enrollment may be canceled if the first full payment is not made on time. If second or third payments are late, a fee of \$10 or 10% of the balance, whichever is greater, will be assessed for each late payment. The last day to sign up for the 3-pay plan is Friday, Jan. 9.

2-Pay Plan: This plan is available beginning Saturday, Jan. 10. It divides the balance owed into two equal installments that are due on January 16 and February 16. Enrollment may be canceled if the first full payment is not made on time. If the second payment is late, a fee of \$10 or 10% of the balance, whichever is greater, will be assessed, and student will be responsible for the unpaid plan balance. The last day to sign up for the 2-pay plan is Friday, Jan. 16.

When applicable, payment for the application fee and continuing education classes must be paid for by payment deadlines in addition to the payment plan installment.

DELINQUENT ACCOUNTS

Delinquent accounts will be placed on financial hold at all NSHE institutions. Students on financial hold may not receive a transcript, register for classes or be awarded a certificate/diploma until the account has been cleared and financial hold removed. Delinquent accounts may be sent to collection after 90 days. The student will be assessed collection/legal fees.

WNC does not furnish counter checks, and under no circumstances will postdated or altered checks be accepted. A \$25 collection fee will be assessed for any check or e-check payment returned as unpaid from the bank. The college will begin the collection process for delinquent accounts, as necessary.

AGENCY FEE PAYMENT

Students must submit the authorization for third party payment to the Carson City Business Office by Friday, Jan. 9.

Fax.....445-3027

APPLICATION FEE

All students who apply for admission are assessed a one-time \$15 fee when they register. This fee is not deferrable or refundable even if the courses are full, dropped, or canceled.

REGISTRATION FEE

The registration fee for lower division classes is \$84.50 per unit and for upper division classes is \$138.25 per unit (except for Continuing Education classes). The fee to audit a class is the same as the fee to register for credit. Some classes also carry a special use or lab fee.

TECHNOLOGY FEE

The NSHE Board of Regents technology fee of \$5.50 per unit funds technology needs and enables WNC to stay current.

FAST TRACK PROGRAM

High school students who enroll in selected WNC distance education classes through the High School Early Entry Program will pay a discounted fee of \$50. See a high school counselor for details.

IMPORTANT INFORMATION ABOUT FEES

EXCESS CREDIT FEE

An Excess Credit Fee shall be charged to a student who has attempted credits equal to 150 percent of the credits required for the student's program of study. The amount of this additional fee is equal to 50 percent of the per credit registration fee. Attempted credits include all graded courses on a student's transcript, including but not limited to the grades of F and W (withdrawal) and repeated courses. The fee will be charged, for example, after 90 credits have been attempted towards a 60-credit associate degree or 180 credits towards a 120-credit bachelor's degree. Exceptions may apply on a case-by-case basis. The fee will be charged in all terms after passing the threshold number of credits until a degree is awarded to the student. Appeal procedures and other exceptions to this fee are outlined in the catalog.

GRADUATION APPLICATION & FEES

Students seeking degrees or certificates of achievement must submit a completed application for graduation and a \$25 fee to Admissions and Records before processing begins. Failure to meet degree requirements means students must submit a new application and repay the application fee for a future semester.

Deadline for filing graduation applications and fees for the spring 2015 semester is Monday, March 2.

WESTERN UNDERGRADUATE EXCHANGE (WUE)

Through the Western Undergraduate Exchange, selected students from eligible western states may enroll in any of WNC's programs at a reduced tuition level of 150 percent of the college's regular resident unit fees. Students must request WUE status on the application for admission and apply for WUE status by submitting a WUE application to Admissions and Records prior to matriculation. WNC reserves the right to limit the number of WUE students from each state.

NON-RESIDENT DISTANCE EDUCATION TUITION

A reduced non-resident tuition fee of \$42.25 per unit for lower division classes and \$69.25 for upper division classes will be added to the regular registration per-unit fee for non-resident students enrolled exclusively in distance education classes, and who reside outside of Nevada during the semester in which enrollment in the distance education course(s) occurs.

NON-RESIDENT TUITION

Out-of-state students who enroll in six or fewer units in a semester are required to pay an additional \$93 per unit for lower division classes and \$152 per unit for upper division classes. Those who enroll in more than six units in a semester must pay an additional \$3,322.50.

Fee Refunds

The college's refund policy applies to students in all programs and to all registration fees for withdrawal or net credit reduction, except for non-credit courses. The application fee is not refundable and cannot be transferred to another person or to another fee. Refund of fees for withdrawal from WNC semester-long classes will be as follows:

- 100 percent if the withdrawal is completed within the first five working days of the semester. The last day is Monday, Jan. 26. Courses dropped after the 100 percent refund period that are not "even exchanged" may affect financial aid.

Any course that begins at a date different from the regular semester and/or after the beginning of the semester, and all short-term courses DO NOT follow full-term refund guidelines.

A short-term class is defined as a class that is not scheduled to meet for the entire semester (16 weeks for fall and spring, eight weeks for summer). Short-term courses and courses that start before the regular semester start date must be dropped at least one day before the first class session for 100 percent refund; after this day, no refund will be given.

Note: Many summer courses are short-term.

Refund checks for dropped classes (*when applicable*) are prepared and mailed weekly after the third week of classes. Payment is made to the student and any other contributing agencies in proportion to the payment of the original fees made by each at the time of registration.

Drops must be made online before a refund can be issued.

Refunds after published deadlines will not be considered for reasons which are beyond the control of the student. Failure to attend class, job transfers, changes in work schedule, relocation, etc., will not be considered grounds for refund appeals.

Refund appeals with verifiable evidence may be granted during the first half of the semester for the following reasons: induction or activation into the armed forces; death of the student's spouse, child, parent or legal guardian; death of the student; verifiable error on the part of the college; and verifiable incapacity, illness, or injury which prevents the student from returning to school for the remainder of the semester.

In general, no refund is made after the first half of the semester.

Direct Deposit of Student Refund Checks

Direct deposit is a convenient way for students to receive refund/overage checks. Instead of mailing a check, the funds can be deposited directly into a checking account. Sign up online at my.wnc.edu in the finance section of the myWNC student center.

1098-T

TUITION STATEMENTS for Tax Purposes via ... myWNC

Students can elect to receive their 1098-T tuition statement by selecting the "Accept" button when prompted upon logging into myWNC.

1098-T statements will be available online in the myWNC student center by February 1.

FINANCIAL ASSISTANCE

Applying for Financial Aid

The college's Financial Assistance Office administers an array of financial aid programs including grants, scholarships, loans and part-time employment to assist students in meeting educational expenses. All students are eligible for some type of financial assistance for class levels 095 and above. To be considered for financial aid, complete the Free Application for Federal Student Aid each year. Students should complete the FAFSA online as soon as possible after January 1 for the next school year. Early submission of the FAFSA increases the possibility of receiving additional aid as some funds are limited.

All financial aid documents must be received no later than December 1 for financial aid to be processed by the payment deadline for spring 2015. *Students who submit documents after this date will be expected to pay their own fees. Students receiving loans only and who have a 30 day delay will need to set up a payment plan with the WNC Business Office.*

The WNC scholarship application must be completed to be considered for scholarships. Deadlines are posted on the application. *Application is available online at: www.wnc.edu/scholarships/*

Financial Aid Process

STEP #1: Complete a WNC Application for Admission and select a degree or certificate program.

STEP #2: Complete a Free Application for Federal Student Aid (FAFSA) at www.fafsa.ed.gov. Be sure to include WNC's school code on your applications: 013896. The FAFSA will require income information from the previous year.

STEP #3: Monitor your myWNC Student Service Center "To Do List" and "Communication Center" to track the status of your financial aid. The Financial Assistance office may be required to verify the information submitted on your FAFSA and will request additional documents. These documents should be submitted in a timely manner to improve the processing time for your financial aid file.

STEP #4: View your financial aid award letter via the myWNC Communication Center.

Please Note: Changes made to the FAFSA or level of enrollment may change financial aid awards. Withdrawing from a class may result in repayment of financial aid and affect eligibility for future aid.

WELCOME MILLENNIUM SCHOLARS!

Your scholarship pays \$40 per unit for lower division courses (100 & 200 level) and \$60 per unit for upper division courses (300 & 400 level), up to 12 units each term for courses 100 level & above.

To use your scholarship:

- Apply for admission **and** select a degree or certificate program. Only degree seeking students are eligible to receive the scholarship.
- Register by Internet for at least six units at WNC per semester.
- Maintain the grade point average as required in your acknowledgement letter.
- If you need additional funds for college, please contact Financial Assistance.

Receiving Financial Aid & Scholarships

When financial aid and scholarships are approved and a student has enrolled in the correct number of credits, funds will automatically be applied to the student's WNC account. This will occur no earlier than week prior to the start of the semester. If financial aid is not approved in time for fee deadlines, the student is responsible for payment.

If funds awarded exceed the charges on a student's account, the balance of funds is refunded to the student to pay for other educationally related expenses. Refunds are released to students beginning the week prior to the start of classes in one of the following ways:

- Check: The refund check is mailed to the address listed in myWNC.
- Direct Deposit: Direct deposit is available. Sign up through myWNC.

Any student who decides not to attend WNC must withdraw by the last day of the 100% refund period and notify the Financial Assistance Office.

Veterans Services

The college maintains an office of Veterans Services on the Carson City campus. Information concerning veterans services is also available through Counseling Services on the Fallon campus.

Persons who are eligible for veterans benefits include: honorably discharged veterans, children of 100 percent service-connected disabled veterans, and the widows and children of veterans who died in service or from service-connected disabilities. Veterans and eligible persons are responsible for submitting all necessary paperwork to the Veterans Services Office. Early registration and submission of documents will assist the Veterans Services Office, and allow adequate time for processing applications. Academic counseling is required prior to certification each semester.

Testing

Every student planning to register for English or math courses at WNC must either take placement tests, submit ACT/SAT scores (no more than two years old), or provide a transcript showing completion of prerequisite courses. Testing assesses a student's current skills in reading, writing and math, and helps students select the appropriate courses to take at WNC. Students who are not sure if they need to test should contact a counselor.

Board of Regents mandated ACT & SAT required scores:

	ACT	SAT		ACT	SAT
English 100	18	440	Math 127	25	560
English 101	21	510	Math 128	22	500
Math 95	17	400	Math 176	25	560
Math 96	19	470	Math 181	28	630
Math 120	22	500	Statistics 152	25	560
Math 126	22	500			

Testing is available by appointment at the Carson City and Fallon campuses. There is a \$15 testing fee. Photo identification is also required.

Transfer Center/Career Center

WNC's Transfer Center assists students who plan to continue their education at another institution. The center makes transferring from WNC to another college or university as easy and efficient as possible.

The Career Center provides information on career descriptions, job outlook, work settings and preparation necessary to enter specific career fields.

The Transfer Center and Career Center are in Counseling Services at the Carson City and Fallon campuses.

Carson City Continuing Education Classes

PURPOSE

The goal of the Continuing Education Division is to respond to community needs for lifelong learning opportunities. Local residents are encouraged to suggest classes and workshops they would like to have made available. Moreover, residents who have an expertise to share with the community are invited to contact the department. The Continuing Education program is self-supporting and does not receive state funds to sponsor its classes and workshops. These activities are funded entirely by student fees. Classes are offered for no credit and with no final grade assigned.

CANCELLATIONS & REFUNDS

Continuing Education makes every effort to contact students if a class is canceled due to instructor illness or lack of enrollment. Please make sure to update personal information with the Continuing Education Office. Call the Continuing Education Office before class to determine if any changes or possible cancellations have occurred. If WNC cancels a class, students will automatically be issued a 100 percent refund for the class.

For Continuing Education courses, tuition is refunded if the withdrawal is completed five days prior to the first day of the class. (A \$10 service fee will be non-refundable.)

EXCEPTION: Motorcycle Safety/Driver's Education class fees are non-refundable.

REGISTRATION

• Enroll at www.campusce.net/wnc/ or call 445-4268.

• Call to enroll students under age 18.

For any physical class: Due to the activity level of these classes, students will be required to sign a waiver and are advised to contact their physician before attending.

PAYMENT

• Payment may be made online at time of registration.

• Payment must be received on the same day as registration or enrollment will be canceled without notice.

• For cash, check, or money order payment, contact the Continuing Education office to make arrangements.

MOTORCYCLE RIDER COURSES (Multiple sections)

Western Nevada College offers motorcycle courses in Carson City for riders of all skill levels. Classes are offered throughout the year.

Basic Motorcycle Rider Course

Aimed at beginning riders, this program introduces students to motorcycle controls, motorcycle riding, basic maneuvers, street riding and traffic skills. All levels of experience are welcome. Students must be at least 16 years of age with a class C or A license. It is strongly recommended that anyone who is 16 to 18 years old call the Community Education office for the latest DMV regulations to obtain a class M endorsement. Students under the age of 18 must have a parent / guardian sign the Motorcycle Safety Foundation Waiver form. Students MUST be able to ride a bicycle. Upon successful completion, students will receive a Motorcycle Safety Foundation (MSF) completion card to take to Nevada DMV to request /obtain a class M (motorcycle) endorsement on their current Nevada license. The motorcycle and helmet are provided. Classes use 250CC Honda - Night Hawk, Rebels and / or Suzukis. Required riding attire includes boots or shoes that cover the ankles, long pants, long sleeve shirt or jacket, full-fingered riding gloves and eye wear protection. Fee: \$160

Advanced Rider Courses

This course is designed for riders with real-road time and mileage on a motorcycle. This course covers self-assessment, risk management, rider behavior, advanced cornering techniques, braking, throttle operation, riding posture, body position, tire traction, swerving, avoiding traps, traffic kill zones, and emergency stops. Working in small groups, students will learn how to create riding strategies with plenty of emphasis on the special skills and mental attitude necessary for dealing with traffic. Student must possess a valid motorcycle license and have recent riding experience. Students must provide their own street legal motorcycle, proof of insurance and registration, and be dressed to ride in boots or shoes that cover the ankles, long pants, long sleeve shirt or jacket, full fingered gloves, DOT approved helmet, and eye protection if there is no face shield on the helmet. Fee: \$85

Experienced Rider Courses

This course is designed for the experienced rider who has a Class M license and wants to refresh skills, needs assistance matching skills to a new motorcycle, has been riding without a Class M and/or is relocating from another state with a Class M that did not transfer to a Nevada license. This is a one day, condensed version of the Basic Rider Course Class using a Motorcycle Safety Foundation curriculum. The student MUST provide a motorcycle with proof of current Nevada registration and insurance, and DOT approved helmet, and be dressed to ride - boots or shoes that cover the ankles, long pants, long sleeve shirt or jacket, full-fingered gloves and eye wear protection (a full-face shield is accepted as eye wear protection). No exceptions. Fee: \$85

Fallon Continuing Education Classes

PURPOSE

The goal of the Continuing Education Division is to respond to community needs for lifelong learning opportunities. Local residents are encouraged to suggest classes and workshops they would like to have made available. Moreover, residents who have an expertise to share with the community are invited to contact the department. The Continuing Education program is self-supporting and does not receive state funds to sponsor its classes and workshops. These activities are funded entirely by student fees. Classes are offered for no credit and with no final grade assigned.

CANCELLATIONS & REFUNDS

Continuing Education makes every effort to contact students if a class is canceled due to instructor illness or lack of enrollment. Please make sure to update personal information with the Continuing Education office. Call the Continuing Education Office before class to determine if any changes or possible cancellations have occurred. If WNC cancels a class, students will automatically be issued a 100 percent refund for the class.

For Continuing Education courses, tuition is refunded if the withdrawal is completed five days prior to the first day of the class. (A \$10 service fee will be non-refundable.)

REGISTRATION

There are two processes to enroll for class:

- Classes **with** Class Numbers (SKU), enroll at www.campusce.net/wnc/
- For classes **without** Class Numbers (SKU),
 - Call to enroll.
 - Register in person.

PAYMENT

- Payment may be made online at time of registration
- Payment must be received on the same day as registration or it will be canceled without notice.
- For cash, check, or money order payment, contact the Continuing Education office to make arrangements.

CAREER

WORKFORCE DEVELOPMENT

WNC Fallon offers various workshops to help students and professionals gain knowledge about computer software and programs, and obtain valuable skills for career advancement. The workshops are provided locally at WNC's Fallon campus and provide the opportunity to update computer and employment skills in a quick and effective format. For a current list of classes, visit www.campusce.net/wnc/ or call the Fallon Continuing Education Office at 423-7565 ext. 2240. Fee: Varies by class.

PROGRAMS & SERVICES

Academic Skills Centers

To help students succeed, WNC's Academic Skills Centers provide tutoring assistance in many subject areas. This service is free to WNC students, and the ASC staff is committed to helping students become self-confident and independent learners. Stop by the ASC at the Carson City and Fallon campuses for schedules of subjects and tutors, or check the website. Tutoring is also available at the Douglas campus. Mathematics and writing tutoring is available online as well. By appointment, or drop-in tutoring available.

Adult Literacy & Language

The Adult Literacy and Language office empowers people to be learners who are meeting their life, work, civic, family and personal goals. Literacy instruction, English language learning and high school equivalency preparation is available to adults who qualify, through a federally-funded grant dispersed by the Nevada Department of Education. Services are offered year-round and include classes, online instruction, tutoring, transition courses, and a computer-based instruction lab. Students will typically move from one type of instruction to another and will be assisted with the transition into for-credit college classes.

La oficina de la Instrucción Adulta é Idioma le da el poder a las personas para ser estudiantes, los cuales están conociendo su vida, trabajo, trabajo ciudadano, familia y metas personales.

ENGLISH LANGUAGE LEARNING

Non-native English speakers can improve their listening, speaking, reading and writing skills in structured, intensive courses offered throughout the school year. Classes will incorporate career awareness activities and workplace literacy skills. Prospective students will be administered a reading comprehension exam upon admission and placed in a class appropriate for their English learning level. A rigorous ELL session will be offered for a total of 72 hours of instruction. Additional classes for phonics, conversation and U.S. Citizenship are available.

Registration (Carson City)

Winter Session: January 12, 15 or 21, 9 a.m. or 6 p.m.

Spring Session: March 30, April 2, or April 7, 9 a.m. or 6 p.m.

Expect registration to last up to three hours.

APRENDIZAJE DEL IDIOMA INGLÉS

Los que no san de lengua materna en el idioma inglés pueden mejorar sus habilidades de escuchar, hablar, leer y escribir el inglés en un curso intensivo que es ofrecido durante todo el año escolar. Las clases incorporarán conciencia sobre actividades de carreras profesionales y habilidades de lectura y escritura durante el desempeño laboral. A los estudiantes interesados se les dará un examen de comprensión en lectura de inglés para colocarlos en la clase apropiada de acuerdo a su nivel en el inglés. Se ofrecerá un curso intensivo que tendrá un total de 72 horas de instrucción. Clases adicionales para fonéticas, conversación y ciudadanía están disponibles.

Fechas de inscripción para la sesión del invierno

12 de enero, 15 de enero, o 21 de enero, 9 a.m. o 6 p.m.

Fechas de inscripción para la sesión de la primavera

30 de marzo, 2 de abril, 7 de abril

Tener en cuenta que la registraci3n dura aproximadamente tres horas.

ELL classes are also available in Fallon & Fernley. Call for information.

Athletics

WNC offers two intercollegiate sports teams for students who wish to continue their athletic competition while they earn a community college degree or prepare to transfer to a university: baseball (men) and softball (women). Athletes can earn college credits and degrees, use Millennium Scholarships and other types of financial assistance, and compete close to home at WNC.

The WNC baseball and softball teams are Division I members of the National Junior College Athletic Association. Division I schools may offer scholarships.

STUDENT REQUIREMENTS

WNC students participating in the college's athletics program must enroll full-time for a minimum of 12 academic units each semester and must maintain a minimum cumulative grade point average of 2.0.

www.wnc.edu/athletics/

HIGH SCHOOL EQUIVALENCY (HSE) EXAM PREPARATION

Instructional services to prepare for the new high school equivalency exams which include the GED, Test of Adult Secondary Completion (TASC), and the High School Equivalency Test (HiSet) are provided in Carson City, Fallon, and Douglas to students who have not graduated from high school. Prospective students will be administered a broad-based skills assessment to determine strengths and weaknesses congruent with exam criteria. Upon completion of the assessment, students will meet with a staff member for placement into classes and to develop a learning plan specific to the needs of the student. Students who are 16 or 17 years of age are eligible to enroll with a letter of withdrawal from the last school they attended and parental consent. Ongoing registration is offered on the second Monday and Friday of each month. Friday registrations are at 9 a.m. and Monday registration are at 6 p.m. Preparation also available at the WNC Fallon and Douglas campuses. Call the office for details.

HSE Boot Camp: February 23 – April 30

(Registration: February 2 or 9, 6 p.m.; February 6 or 13, 9 a.m.)

Additional HSE Prep Registrations @ WNC Carson City: Mon., March 9, 6 p.m.; Fri., March 13, 9 a.m.; Mon., April 13, 6 p.m.; Fri., April 17, 9 a.m.

HIGH SCHOOL EQUIVALENCY (HSE) DISTANCE LEARNING

Students in rural communities with web access have the opportunity to study via instructor-supported online lessons at scheduled times. WNC uses a comprehensive, instructor-supported online high school equivalency preparation using the PLATO learning environment.

LITERACY INSTRUCTION

Instruction may be provided to students who lack skills sufficient for successful college work. Prospective students will be administered a broad-based skills assessment to determine educational needs. Learning plans specific to student needs will be developed based on the assessment.

Student Government

Associated Students of Western Nevada

The Associated Students of Western Nevada, known as student government or simply ASWN, is an elected group of students who work to enhance student life by representing the voice of the students at Western Nevada College. All members of ASWN welcome and encourage other students to voice any college concerns or ideas.

Student government offers a great opportunity for anyone interested in organizing student activities and influencing changes or student policies. Students really do make a difference, so get involved!

Visit the ASWN website to view upcoming student events and contact ASWN members.

PROGRAMS & SERVICES

Economic Development and Continuing Education

Learning is a lifelong process. The Economic Development and Continuing Education Department provides lifelong learning opportunities for all ages within the communities that Western Nevada College serves. Students in continuing education programs develop skills, enjoy creative or recreational pursuits, and broaden personal knowledge.

COLLEGE FOR KIDS

College for Kids is an enrichment program to challenge youth in WNC's service area and offer educational and creative experiences outside of the traditional elementary, junior high or high school classroom. Classes such as drawing or painting, crime scene investigation, archaeology digs and dancing allow young students to explore their creative side. Classes may also include Babysitting Certification, CPR, space math or pet care. All classes focus on developing personal skills, building self-confidence and establishing a sense of responsibility.

PROGRAMS & SERVICES

START COLLEGE EARLY! High School Student Services

WNC offers services which allow qualified high school students to earn high school and college credits simultaneously. They include:

CAREER AND TECHNICAL EDUCATION (CTE)

COLLEGE CREDIT: High school students may earn college credit for occupational coursework completed in high school. Courses are taught by high school teachers who follow a curriculum established by the Nevada CTE course catalog. The program is designed to give students hands-on and academic experience. Course credits apply to WNC certificate and degree programs, giving students a head start on higher education programs that relate to chosen career paths.

INFORMATION

Kevin Edwards 445-3241, or contact your high school counselor

DUAL CREDIT: Students may earn college and high school credits simultaneously. Each high school in the WNC service area allows many WNC courses to also count as high school credit. The program helps students by offering courses not available at the high school, and giving them the opportunity to begin college while still in high school. Contact local school districts for an updated list of dual credit classes.

FAST TRACK: Designated college courses are offered online or by interactive video at a discounted rate to high school students. Most Fast Track classes cost only \$50, with a \$15 interactive video fee.

JUMP START! your college degree

WNC has partnered with Carson, Churchill, Douglas, Lyon and Storey County School Districts to offer high-achieving junior and senior students an opportunity to earn up to 48 college credits prior to high school graduation. Students who have passed Algebra II with a B or better will be given the college Acuplacer essay test in January of 2015. Those who test into English 101 will be eligible to apply for the "JumpStart College" program. Classes are offered at the WNC Carson, Douglas and Fallon campuses as well as on the Fernley, Silver Stage and Yerington high school campuses. Participating high schools include Aspire Academy, Carson, Dayton, Douglas, Fallon, Fernley, Pioneer, Silver Stage, Smith Valley, Virginia City and Yerington.

Phi Theta Kappa Honor Society

Phi Theta Kappa has recognized academic excellence in two-year colleges since 1918 and is one of the most prestigious honor societies in higher education. WNC has two chapters of Phi Theta Kappa: Alpha Upsilon Beta and Beta Theta Iota. Alpha Upsilon Beta, established in 1991, has inducted more than 500 members. Beta Theta Iota, established at WNC Fallon in 1998, has inducted more than 75 members.

Phi Theta Kappa has four hallmarks:

- Scholarship • Service • Leadership • Fellowship

Honors Program

The WNC Honors Program is designed to challenge students to achieve their highest academic potential. WNC students with a 3.0 or higher cumulative grade point average or recent high school graduates with an exit GPA of 3.0 or higher are eligible to apply. Students in the program earn honors credit for a course by undertaking special course projects in addition to the regular course requirements. Projects are completed on a contractual basis with individual faculty members. To receive honors credit, the student must receive a grade of "B" or better for the course and complete the contracted project to the satisfaction of the course instructor. During the first week of classes, talk to your instructors about participating in the Honors Program.

Honors Program participants who receive honors credit in 18 or more course units in at least six different academic disciplines and who have at least a 3.5 cumulative GPA at graduation are designated as Honors Graduates.

Library Services

WNC offers library and research services to all students, both on campus and online. Thousands of full-text books, magazines and newspapers are available, including 43,000 books, 130,000 e-books, 20,000+ online journals and newspapers, various print journal subscriptions, 4,100+ videos and DVDs, and maps. Students can borrow materials from the two campus libraries in Carson City and Fallon, as well as other libraries, using their WNC library card. Current students can obtain a free library card at the library, or online, if they are enrolled in web classes. WNC libraries provide a comfortable place to study, PC & Mac computers, wireless access for laptops, photocopyers, scanners, and group study space.

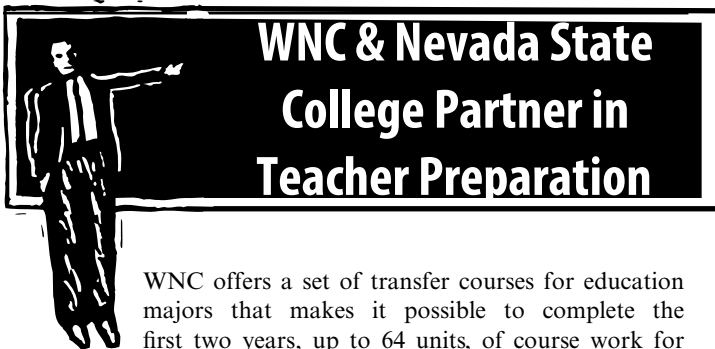

FREE ONLINE TUTORING: Students can use the Brainfuse tutoring service to interact with a live tutor; submit writing assignments for feedback; submit questions to a tutor; get help with math homework; feedback on job seeking skills, and personalized test prep in core subject areas, including the Accuplacer placement tests. Live tutoring subjects include math, writing, reading, biology, chemistry, physics and Spanish. This service is provided through a grant from the Library Services and Technology Act.

PROGRAMS & SERVICES

WNC offers a set of transfer courses for education majors that makes it possible to complete the first two years, up to 64 units, of course work for bachelor's degrees from the College of Education at the University of Nevada, Reno or Nevada State College. Students may prepare for a degree in Elementary Education, a Bachelor of Science in Secondary Education, or Bachelor of Arts in Secondary Education.

Foundation courses available at WNC include instructional technology, required 200 level English courses, introductory courses in secondary and special education, and freshman and sophomore courses requiring supervised field experience in the K-12 schools. WNC students who are close to completing their first two years of transfer courses toward a bachelor's degree in education can enroll in Nevada State College junior and senior level courses offered at WNC sites by interactive video and by Internet. Students are able to earn a bachelor's degree and prepare for certification as an elementary or special education teacher without leaving WNC's service area.

Classes are offered at a rate allowing students to finish at the same pace as other four-year institutions.

To date, more than 50 students have finished their degrees and have teaching jobs in the area of their choice—Carson, Fernley and Fallon.

POLICIES

Clery Act

The Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act is a federal law that requires colleges to disclose certain timely and annual information about campus crime and security policies. More detailed information and the crime statistics for the past three years is available at www.wnc.edu/ps/

Drug & Alcohol Prevention Policy

WNC is required to provide information about campus rules and regulations pertaining to alcohol and other drugs. The pamphlet, A Safe Campus, is available at each campus as a resource for students, employees and visitors.

Notice of Copyright Laws & Infringement Penalties

Students should be aware of federal copyright laws and penalties that may be assessed for violation of these laws. Copyright infringement is the act of exercising, without permission or legal authority, one or more of the exclusive rights granted to the copyright owner under section 106 of the Copyright Act (Title 17 of the United States Code). These rights include the right to reproduce or distribute a copyrighted work. In the file-sharing context, downloading or uploading substantial parts of a copyrighted work without authority constitutes an infringement.

Penalties for copyright infringement include civil and criminal penalties. In general, anyone found liable for civil copyright infringement may be ordered to pay either actual damages or "statutory" damages affixed at not less than \$750 and not more than \$30,000 per work infringed. For "willful" infringement, a court may award up to \$150,000 per work infringed. A court can, at its discretion, also assess costs and attorneys' fees. For details, see Title 17, United States Code, Sections 504, 505. Willful copyright infringement can also result in criminal penalties, including imprisonment of up to five years and fines of up to \$250,000 per offense.

WNC Copyright Policy: <http://www.wnc.edu/policymanual/3-2-8.php>

Non-discrimination Statement

WNC is guided by the principle that there shall be no difference in the treatment of persons because of race, religion, color, age, sex, including a pregnancy-related condition, sexual-orientation, military status, or military obligations, disability, including veterans with service-connected disabilities, or national origin, and that equal opportunity and access to facilities shall be available to all. Similarly, there shall be no difference in the treatment of persons who file charges of discrimination, participate in a discrimination proceeding, or otherwise oppose discrimination. It is our policy to comply fully with the non-discrimination provision of all state and federal regulations with regard to recruitment, admission, financial aid, activities, hiring, promotions, training, terminations, benefits and compensation.

Principles of Community

As members of the WNC community, we choose to be part of an academic community dedicated to those principles that foster personal and professional integrity, civility, and acceptance.

We strive toward lives of personal integrity and academic excellence. We will encourage in ourselves, and in one another, those responsible actions which lead to lives of productive work, personal enrichment, and useful citizenship in an increasingly interdependent world.

We commit to treat one another with civility. Recognizing that there will be differences of opinion, we will explore the differences in a courteous and forthright manner, always acknowledging individual rights to the freedom of expression and association.

We embrace diversity. We encourage those of all cultures, orientations, and backgrounds to understand and respect one another in a safe and supportive educational environment.

Sexual Harassment Policy

WNC, as a member of the Nevada System of Higher Education, is committed to providing a place of work and learning free from harassment, intimidation or insult. It is the policy of WNC that the sexual harassment of students, employees, and users of WNC facilities is unacceptable and prohibited.

Title IX of the Education Amendments Act of 1972 prohibits discrimination based on sex in educational programs and activities that receive federal financial assistance. To ensure compliance with Title IX and other federal and state civil rights laws, the college has developed policies that prohibit sex discrimination, which includes sexual harassment, sexual assault, and sexual violence by employees, students, or third parties. Inquiries concerning the application of Title IX and/or questions as to how to file a complaint of sex discrimination may be referred to WNC's Title IX Coordinator or the Office for Civil Rights of the United States Department of Education.

The NSHE Policy Against Sexual Harassment and Complaint Procedure, Title 4, Chapter 8, Section 13, is incorporated into the Board of Regents Handbook. The policy can be reviewed in the WNC online catalog at www.wnc.edu.

Student Right To Know Act

The Student Right to Know and Campus Security Act requires that WNC comply with the provisions and updates in disclosing the graduation rate of certificate or degree-seeking students. This information is available to current and prospective students prior to enrolling or entering into any financial obligation.

As of 2013-2014, the four-year average Student-Right-to-Know graduation rate was 17 percent and the four-year average Student-Right to Know transfer out rates was 31 percent.
